

2006 Course Summary Sheet

■ Bachelor of Applied Science (Optometry) (OP42)

This document will assist you with the selection of your study program and completion of your enrolment. Other useful information can be found on the Student Services website studentservices.qut.com which can also be accessed via the Online Enrolment portlet.

Location: Kelvin Grove and Gardens Point campuses

Course Duration: 4 years full-time

Total Credit Points: 384

Standard Credit Points/Full-time Semester: 48

Course Coordinator: Associate Professor Peter Swann, O Block, Rm D518, Kelvin Grove, phone 07 3864 5710

Special Course Requirements:

The degree may be awarded with Honours, First Class Honours, Second Class Honours Division A and Second Class Honours Division B.

Candidates for the degree with Honours must fulfil the requirements for the pass degree and achieve such standard of proficiency in all the units of the course as may from time to time be determined by the Health Academic Board and approved by University Academic Board.

Items of ophthalmic equipment are required by students for clinical use from the beginning of the second, third and fourth years of the course. Academic staff provide advice regarding the purchase of these instruments. Estimated costs are \$5000. Students are also required to undertake training in first aid before entering Clinical Optometry in third year.

Important Note: please ensure you select the correct teaching period, class and location code for all units you are enrolled in. All units in this course have a class of Internal.

Commencing Students:

Commencing students have been pre-enrolled in their units for the year. Students are required to accept their enrolment in these units via the on-line enrolment function in QUT Virtual. Students not undertaking one or more of these units must reject the unit(s) in question and nominate alternative units accordingly.
